SOMETIMES typographical errors are roductive of ludicrous results. For intance—last week the Lake County Wool-Mills Company brought in a local vertisement to the effect that they were day to exchange their stock of manufaced goods for mool or cush. By a blunfof the compositor and an oversight of proof-reader, this appeared in our last e as an announcement of their desire secive wood or coal. In consequence, this appeared in mourning for the residual control of the continuation of their desire secive wood or coal. In consequence, this appeared in mourning for the residual control of the continuation of the community a worth citizen, who, settle manily deportment and unspotted in ty, won the respect and esteem of his breth well as the community a worth citizen, who, settle manily deportment and unspotted in ty, won the respect and esteem of his breth well as the community a worth citizen, who, settle manily deportment and unspotted in ty, won the respect and esteem of his breth well as the community a worth citizen, who, settle manily deportment and the community a worth citizen, who, settle manily deportment and the community a worth citizen, who, settle manily deportment and unspotted in the community a worth citizen, who, settle manily deportment and unspotted in the community a worth citizen, who, settle manily deportment and the community a worth citizen, who, settle manily deportment and the community a worth citizen, who, settle manily deportment and the community a worth citizen, who, settle manily deportment and the community a worth citizen, who, settle manily deportment en Mills Company brought in a local advertisement to the effect that they were ready to exchange their stock of manufactured goods for most or cash. By a blunder of the compositor and an oversight of the proof-reader, this appeared in our last issue as an announcement of their desire our friend A. B. Drake has been obliged to lose his office, to escape from the crowds of fuel venders who daily besiege his hitherto quiet retreat.

Last Friday the Sabbath School of the ongregational Church of this place held their second annual pic-nic at the grove elonging to C. Smart Esq.—near the Lake Shore. Despite an inauspicious morning the amusement and entertainment of those quainted with the subtle shades of who went that all felt—as they returned meaning existing between means at ta-Painesville and Youngstown Railroad home-that the day had indeed been one to um. At all events, they stole his melwill pass over the line of the road and pay

600 feet. There have been several veins of gas found at various depths, but the supply seems to be unsteady and too uncertain for practical benefit. There is a only has discovered the disturbers of his test being made of both this and the former one, by means of a powerful pump. It will be remembered that the first well failed on account of becoming choked with water. It is now thought if this upon the ruin that had been wrought dur water is pumped out sufficiently to allow ing the previous night, he espied a letter the veins to reopen, the gas will flow out directly in the midst of the rifled vines in sufficient quantities for all purposes of Picking it up he found that in doing so he lighting and warming the building.

next. We have since learned that Bishop around at the various styles of silk hate Mr. S. for all the fruit, and a douceur as worn by our young men and then reads well to insure the turning his breast into second and closed the game by going out in the latest atyles and at the lowest prices. At the late Methodist Episcopal Conference, Rev. J. Tribbey was removed from this place and appointed to serve in to be found in another column. This firm and moral lessons. But whether its teach-
